GIFTS FOR CANCELED EVENTS

**Give a gift even if they can't be here.
It's more important than ever to build and grow
business relationships. We are here to help.**

Your meeting has been canceled. The conference has been postponed. The imperative to establish and grow relationships remains the same.

Due to the uncertainty of the coronavirus pandemic, businesses are canceling or postponing meetings, events, and conferences. Because of this disruption, it's more important than ever to keep and strengthen these business relationships.

If your conference has been canceled or you can't make your sales call anymore, we've got the best way to connect.

With thousands of items from hundreds of small business makers, we specialize in meaningful gifts that you can send to your planned attendees, follow up after your digital sales pitch, as a thank you note, or remote employee appreciation.

We work with

HUNDREDS OF MAKERS

from Nashville and around the South.

Let's Get Started!

Here's how it works.

1. Browse the catalog

After you look through these curated gift selections, call Nancy VanReece at 615.475.7500 (or send a quick email to nancy@batchusa.com) to discuss your gift options and needs. How many will you need of each of your selected gifts? What customizations would you like? We are here to help make sure your budget is used to maximize your gratitude!

2. Estimate

After you make a gift plan with Heather, you will receive a detailed estimate by email that verifies your selections, customizations, estimated delivery date and the cost for the order. Once verified, if you are ordering a Custom Stamp or Card or Sticker, you will be sent a link to upload your high-resolution EPS/vector logo file and any additional special instructions.

3. Invoice

Once the estimate is approved, you will receive an email with a link to pay for your order and be emailed a receipt for your records.

4. Recipient List

You will be provided a spreadsheet template to list your recipients' shipping addresses for our operations team. Using the template provided will ensure that there will not be a delay in your gift delivery.

5. Handcrafted Happiness Delivered

Our fulfillment team will provide a photo of your gift along with the tracking numbers upon request. Then, sit back and relax as your recipients let you know how much they love their small batch gifts!
