

IPANEMA Newsletter
May 20, 2020

We hope everyone is staying safe during this world crisis.

Today we have some really great news to share with you about our Eco Leggings!

All our Eco Leggings are made with [Amni Soul Eco](#) fabric technology and are biodegradable. This is the most amazing fabric and we want to share it.

Today we announce that **all Eco Leggings** are now considered

"Gender Neutral"

That's right Guys, you too can take advantage of our amazing leggings and understand what the Ladies have been raving about!

Check out images of Guys wearing our Eco Leggings below and use the following discount code at checkout to get 15% off **all Eco Leggings**.

"0B585107"

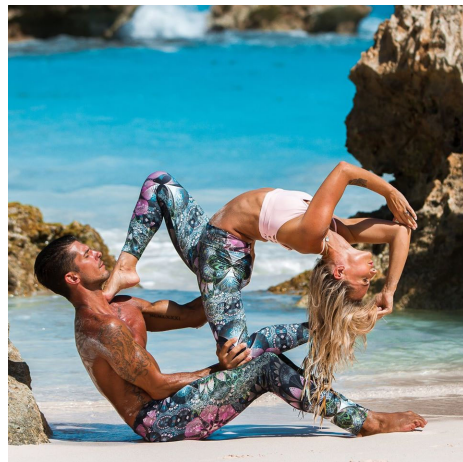

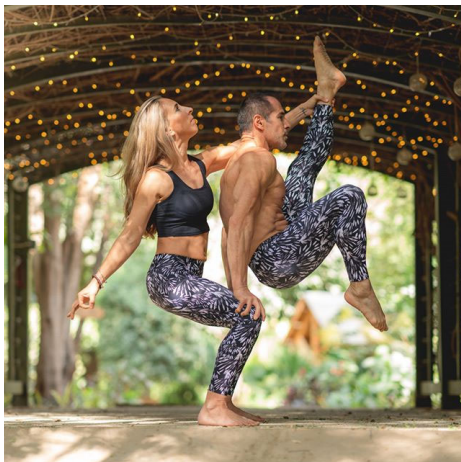

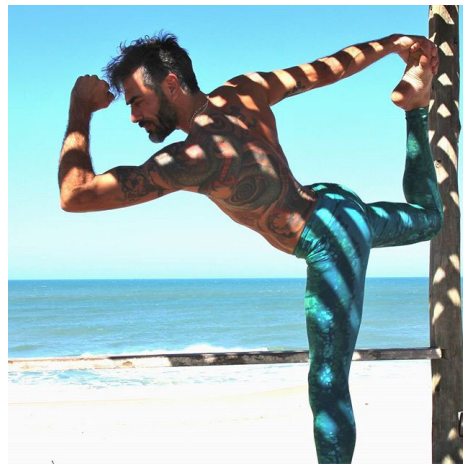

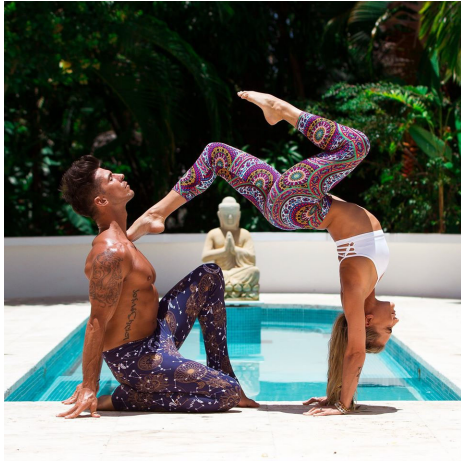

That's not the only good new!

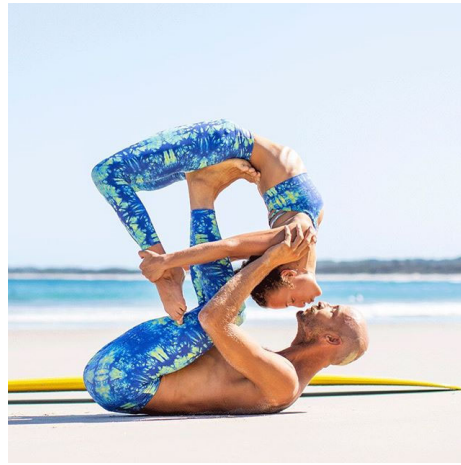

You can now chat with us from any product screen. Just click the CHAT button in the lower right corner of the browser.

As always, every time we receive new products, we will send out this newsletter to give all our loyal subscribers the first look.

Everyone is always anticipating the arrival of new patterns.

For new subscribers, all Liquido Patterns are Limited Editions and will never be produced again.

The team here at Ipanema would like to thank all first responders out there for all their hard work to keep us all safe. And thank you to our customers who have stuck by us in these tough times!!
