

Gargoyles B (DCOIb)

www.multiverregamingterrain.com

Read the instructions carefully before putting the kit together. The model can be glued with PVA glue. A file and a sharp hobby knife may be needed to remove the bits of the sprue from the parts.

Glue the two main body pieces together as shown:

Add the platform on the top of the main body:

3

Add the side pieces with eyes on both sides of the gargoyle.

Add the wings on both sides of the gargoyle.
