REAL ESTATE SERVICES

## *Keeping In Touch - February*

### **Do You Have Any Vacancies?**

Commonwealth has been receiving a lot of inquiries in regards to vacant lots and RV spaces. We would like to keep our website as updated as possible. So if you have any vacant manufactured home or RV spaces, please email Melisa at [melisa.cook@cwres.com](mailto:melisa.cook@cwres.com) and let her know how many spaces you have and what size of home or RV it would fit.

If you are able to provide the space number and rent amount that would be very beneficial so she will not need to reach out to you later.

### **WELLNESS CORNER**

**February**  
**National Heart Month**

# HEART HEALTH AT WORK

- Avoid over excursion, be careful when lifting heavy objects or carrying heavy loads. Consider using a hand-truck and asking for help lifting those heavy items.
- Know your own heart health and consider this when you are at work, know your own limitations.
- Get an annual physical and discuss any concerns you may have with your doctor and follow up on your doctor's concerns.
- If prescribed medications, make sure to take them as directed.
- Try to get regular exercise and enough sleep. Make sure that you are eating a balanced diet.
