

Luxurious Tableware Artistically Crafted

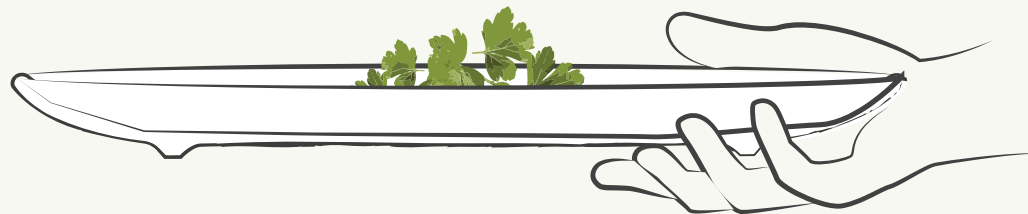

## Who we are?

Artemirate LLC is a personalized tableware supplier in the Middle East. We are a premium tableware supplier based in the UAE. An exquisite collection of designer products. Our products are meticulously crafted by creative minds that have beautifully blended art and luxury. We not only have a range of artistic table tops and cutlery sets, but we also customize them to suit your specific requirements.

Artemirate is connected with premium international brands. We cater to retailers, wholesalers, restaurants, and end-users. Our products are available all over the Middle East & Central Asia. We have a wide range of tableware in porcelain, cutleries, ceramic sculptures, and vases. We also have a collection of products that are eco-friendly and advocate sustainable living. We believe it's a unique process since all our products are crafted & decorated based on the requirements.

Artemirate aims to excel in specialized dinnerware & spread its beauty all over the world. We're here to connect with the world's best dealers, cafés, and individuals like you. We welcome you to enjoy this seamless buying experience with our dedicated online ordering platform.
