ABOUT US

➤ THE ONEVONE BRAND OF TEAMWEAR HAS BEEN DEVELOPED BY DYNAMIC SPORT, WHO HAVE BEEN IN OPERATION SELLING SPORTING GOODS AND TEAMWEAR TO NEW ZEALAND CLUBS AND SCHOOLS FOR 16 YEARS.

Dynamic Sport has an extensive understanding of the club and school teamwear market and developed the OneVOne brand to fill a niche part of the market – customised sublimated teamwear, specialising in small runs, using the latest materials, with innovative and creative designs. With order turnaround times of 4-5 weeks and pricing that is extremely affordable, the OneVOne brand has gained huge traction in the sports teamwear market.

We believe that the client should have input into the design of their garments - we want the garment to reflect the team, club or school that will be wearing them.

Give us the brief and we will use our creative design process to produce team uniforms you will be proud to wear.

HOW TO ORDER

**WE WANT THE ONEVONE BRAND TO BE EASY TO ORDER.
HERE IS A BREAKDOWN OF HOW IT WILL WORK:**

- Give us a brief of what type of garments you require, you may already like some of the designs on offer on our website, so we can insert your colours and logo into those designs. Or, we will take your brief and create a unique uniform that will make you stand out!
- We will create a graphic of your design, placing logos, team names, player names, sponsors logos and shirt numbers in place and email it to you, along with a size chart. Size samples may be available to use to get your sizing right.
- Once payment is received and you have signed off the artwork, we pay our supplier and your uniform starts being produced. It's airfreighted to us and within 4 weeks, you have your fully customised, sublimated uniforms delivered to your door.

HOW TO PAY:

**THE EASIEST WAY TO PAY IS BY INTERNET BANKING.
WE WILL PROVIDE YOU WITH A PROFORMA INVOICE
DETAILING ALL COSTS.**

OUR BANK ACCOUNT NUMBER IS:

12-3107-0046336-00 – ASB Bank,
Bank Account Name: Dynamic Sport New Zealand Limited.

We also accept credit cards and cash.

DESIGN YOUR OWN

ONEVONE TEAMWEAR BELIEVE IN ALLOWING OUR CLIENTS TO HAVE THE OPTION OF CREATING THEIR OWN BESPOKE GARMENT, THAT IS REFLECTIVE OF YOUR CLUB, SCHOOL OR TEAMS CULTURE OR IDENTITY.

We have a design team that can take the clients brief and transform those dreams into reality, then our factory manufacture the garments and deliver in an efficient time period.

A key component of the design process is getting clear information from you, the client in order to streamline the overall order experience. Colours, logos, collar options, numbers, positioning of logos and numbers are all things we will work with you on.

Ideally, we prefer if your order is supplied in either Word or an Excel Spreadsheet, with sizes, names, numbers detailed.

Why not try our KIT BUILDER! Visit <https://dynamicsport.dyobuild.com>

➤ COLOUR SELECTIONS

All our garments are manufactured using sublimation. This is a process where sublimation dyes are printed onto a transfer medium with a specially prepared inkjet printer. The dyes are then transferred from the medium to an object/garment under heat/pressure using a heavy grade heat press. The dye sublimates and is absorbed into the fabric. Due to this process, designs and colours are endless, which means we can create some incredible garments.

In regards to colours, you can choose any colours from the PMS colour chart.

Quote these specific colours when ordering and we will use these colours in the design and manufacturing process.

➤ LOGO INFORMATION

You will need to email us your artwork, ideally in Vector format (AI or EPS) and some high resolution PDFs may also be suitable, as this will achieve the best results. If the file is too big, you can use Dropbox or WeTransfer. Please note, we can't reproduce Faxes or hand drawn material.

There are no limits to the number of logos you can have. We can also redraw a current garment you may have or like from another club/school/team.

➤ SIZE INFORMATION

Size charts are available for our garments. We may also have some physical size samples on hand that may also assist with selecting the sizes you require.

➤ MINIMUM ORDER QUANTITIES

Our minimum order quantities per style is 10 garments. If you are placing a repeat order for a smaller number (than 10), a 25% surcharge will apply.

> COLLAR OPTIONS

The following garments are available in Round Neck or V-Neck:

PE/Training T-Shirt, Netball Dress/Top, Basketball Singlets/Shooting Shirts, Touch Singlets, Hockey Shirts, Volleyball Shirts. Rugby Shirts are available in Round Neck, V-Neck or Champion Neck.
