

PASGT HELMET

SPECIFICATIONS

- Designed to protect the end-user from low velocity handgun and fragmentation threats
- Polyurethane finish
- Allows the integration of picatinny rails, night vision mount, bungee cord and hook and loop fasteners
- Ballistic and fragment visor designs can be attached to the helmet or picatinny rails
- Optional fabric cover to integrate with the uniform

HELMET SHELL

- Constructed with Polyethylene thermoset resin systems
- Tested with US NIJ Standard 0106.01 type III-A

HARNES & SUSPENSION DESIGN

- Various harness and suspension systems available
- Absorbs residual kinetic energy of the impact
- Provides ventilation inside the helmet

OTHERS

- Helmet Harness guaranteed for 1 year
- Helmet Shell guaranteed for 5 years
- Optional ballistic visor upon request

OPTIONS

Custom-made helmet designs can be provided in various cuts, sizes and equipment options added.
