David Francis Reigns Supreme with Dual Pinnacle Awards for Furniture Design

[Vero Beach, FL – October 20, 2023] – David Francis, a manufacturer of luxury furniture headquartered in Vero Beach, Florida, has earned distinguished honors in not one, but two categories at the prestigious 2023 Pinnacle Awards. The Swirl Rattan Console Table, an impressive masterpiece, has been crowned a victor in the coveted Entertainment Furniture category, while simultaneously being granted the Green Leaf Award, a tribute to its excellence in sustainable design.

Often dubbed “the Furniture Industry’s Oscars,” the Pinnacle Awards, graciously hosted by the International Society of Furniture Designers, are renowned for their discerning recognition of excellence and unwavering commitment to fostering innovation within the realm of furniture design. These accolades shine a resplendent spotlight on David Francis’ unparalleled talent and dedication to crafting furniture that transcends mere functionality, embracing an aesthetic allure that distinguishes it in the market.

The Swirl Rattan Console Table, envisioned by Catherine Blüm for David Francis, orchestrates a harmonious union of meticulously handcrafted wooden framework, precision-sculpted pencil rattan door facades, and a sleek, modern metal foundation. This console table exudes an aura of opulence unmatched in its elegance, making an indelible statement in any environment it graces. It offers a wealth of over 30 exclusive hand-applied finishes, enabling customization that seamlessly harmonizes with diverse decor styles. Moreover,

it champions the cause of sustainability, crafted with materials that bear testament to our unwavering dedication to preserving our precious planet.

Catherine Blüm, President and Creative Director of David Francis, radiates excitement and gratitude for these prestigious accolades, remarking, “The honor of being recognized by the Pinnacle Awards is nothing short of extraordinary. Securing these dual awards serves as a testament to our team’s dedicated commitment to delivering innovation and uncompromising quality in furniture.”
