

CUSTOMIZING

YOUR FURNITURE

YOU'VE GOT GREAT TASTE!

Carefully selecting your David Francis pieces is just the beginning. We strive to offer you a great selection of customizations to let your creativity run. Brushed Nickel hardware and Sunbrella fabric options are just a few of the ways we are re-imagining classic styles with today's modern tone.

We've created this design tool to remind you of the many furniture options we offer. Whether you order by phone, email, or on our website, we want you to enjoy the design process of your furniture!

MADE TO ORDER

UNFINISHED FRAMES

We stock our furniture frames unfinished to give you full control over what finish, fabric, hardware, & cushion options you want on your CUSTOM furniture pieces.

EXCLUSIVE FINISHES

Did you know we formulate & mix all of our finishes in house? Our master finishers then hand-apply all finishes, to order, ensuring a fresh look when your furniture leaves our Vero Beach, FL factory.

HAND UPHOLSTERED

Each cushion is sewn by hand by our expert upholsterers using the high level of craftsmanship that represents David Francis.

SELECTING INDOOR FINISHES

STANDARD + PREMIUM

Each piece of furniture is hand-finished to bring out the natural beauty of the natural materials. Intricate layers of paint are carefully applied by master craftsmen to enhance the form of your piece. Natural variations in our materials are highlighted with the artist's hand.

Choose from our **standard** or **premium** finishes to customize your indoor furniture.

CUSTOM FINISHES

Our finishes don't quite compliment your design projects? Send us your custom color swatch and our color masters will match it and hand-apply it to your furniture order.

Or input your custom finish details online
when you place your order.

INDOOR CUSHION OPTIONS

As purveyors of comfort, we are proud to offer cushion options that deliver luxurious and durable seating. Regardless of your cushion preference, we're confident our seating will become the most sought-after sanctuary in the home and a place for the most perfect sit.

STANDARD CUSHIONS

Our standard seats are made with a firm foam core. It is strong durable, comfortable and made to last.

Our foam core is covered in a dacron® fiber wrapped around the foam to create a soft seat and crown. Our cushion is covered with a shell of muslin ticking.

PREMIUM CUSHIONS

Our premium seats contain a series of individually pocketed coils, similar to those found in an innerspring mattress. Our heavy gauge steel springs offer a more durable seating experience.

Cushions are wrapped in down proof ticking to allow ample air permeability.

COMFORT & QUALITY

Our premium cushions combine the finest quality materials to provide a soft conforming comfort, with durability.

ENVIRONMENTALLY FRIENDLY

David Francis Furniture uses foam that has been certified through the CertiPUR-US® program.

Tested and approved for durability and performance

CUSTOMER'S OWN MATERIAL

The "COM" chart on the right shows the number of yards of fabric required to upholster each piece based on a 54" roll of plain fabric. David Francis will not be held responsible for any remnant material. However, we will try to return all unused fabric, when available. The chart will also allow you to compute the additional yardage required for matching repeats.

| FABRIC WIDTH | PLAIN FABRIC | 2"-14" REPEAT | 15"-24" REPEAT | 25"-27" REPEAT | 28"-36" REPEAT |
|--------------|--------------|---------------|----------------|----------------|----------------|
| 54"/50" | 0% | 20% | 25% | 30% | 35% |
| 48" | 20% | 35% | 40% | 45% | 50% |
| 45" | 35% | 45% | 60% | 70% | 80% |
| 36" | 55% | 65% | 75% | 80% | 90% |

UPHOLSTERY

Please give specific instructions for applying your fabric. Otherwise, we reserve the right to determine which side of the fabric or leather is the face side and which is the top and bottom of the design. To be assured your fabric will be applied correctly, attach a cutting to your purchase order, face side up, with an arrow drawn indicating which is the top or "up" direction.

RIGHT WAY
is "TOPPED" into

RAILROAD
is "TOPPED" to the
EDGE of the fabric

We reserve the right to make an additional charge if your cover material requires unusual handling or if you require special detailing. If so, we will notify you of the charge before proceeding. NOTE: There will be an additional 7% charge for heavy fabric, leather, vinyl, laminated or woven material (such as twill), exploding fringe, contrasting welt and twisted braid cording. We reserve the right to make an additional charge if you require special detailing such as multiple fabrics for the same cushion.
