OUR JOURNEY

For more than four decades, the name David Francis has been synonymous with acclaimed designer furniture collections that make a bold statement in any space. Our expertise lies in crafting environmentally conscious pieces using materials like rattan, crushed bamboo, and sustainably sourced woods. Through innovative furniture design, we infuse traditional materials with artistry, meticulous detail, and a fresh perspective.

After the founders of David Francis Furniture, David and Theresa (Terry) Swett, retired in 2020, a new chapter unfolded. Catherine Blüm, daughter of David and Terry, and Tim Ledford, production manager for over 25 years, joined forces to carry forward the legacy established by David and Terry. Collaboratively, they established David Francis, LLC, a partnership that remains dedicated to innovation and the creation of top-tier furniture for the industry. Drawing upon their cumulative years of experience, fortified by their business acumen and creative talents, David Francis, LLC stands as a testament to a family's enduring commitment to the art of furniture making.
