RE: COVID-19 - Masks

To Our Valued Denninger's Customers,

As the COVID-19 pandemic continues, we would like to assure you that we continue to update and evolve our policies as new information regarding COVID-19 becomes available. We continue to implement all COVID-19 best practices as per the advice of the Government and Public Health Officials. As a Company, we are committed to taking every reasonable precaution to protect our Customers, Associates and the Public, while ensuring that we continue to provide great service.

Denninger's now requires all Associates and Customers to wear a face mask while in store with the exception of children under the age of two (2) years old.

We offer alternative methods of shopping, including curbside pick up and delivery, to accommodate Customers who cannot wear a mask while shopping in store. While we understand that this may not be your preferred method of shopping, these alternative methods allow Denninger's to continue to serve all Customers while ensuring the health and safety of all of our Customers and Associates.

We realize that this is not a perfect solution for everyone. We do appreciate your cooperation and understanding during this very difficult and unprecedented time. We also look forward to continuing to serve you at Denninger's.

Yours very truly,

A handwritten signature in blue ink, appearing to read "Mary S Aduckiewicz", is positioned above the typed name and title.

Mary S Aduckiewicz
CEO
