

# INTRODUCING

## Blue Lemonade

**Ingredients: Live Kombucha (yeast & bacteria cultures), organic cane juice, organic E3 Live™ Blue Majik™, decaf green tea, lemon pieces, lime & lemongrass leaves, lime pieces, calendula, sunflower petals, lemon extract, xanthum gum, lemongrass extract**

Our seasonal Blue Lemonade is the perfect refreshment for the spring/summer, combining the powerful superfood of E3 Live's Blue Majik with the favourite lemonade standard.

Blue Majik is a proprietary, chemical free extract of *Arthrospira platensis* (Spirulina). Blue Majik fine powder is derived from the highest quality, organic raw material. Spirulina is known for benefits to the immune, endocrine, nervous, gastro-intestinal and cardio-vascular systems. Tonica has blended this potent superfood with the classic Lemonade flavour to bring you our newest seasonal supertonic.

Tonica is an authentic kombucha with a delicious flavour profile that everyone enjoys.
