

Free torch

to unleash your
welding potential

Start the year with new options.

Purchase a new TransSteel 2200 or 2700 from your local Fronius partner and get a second MIG torch with an .045 aluminum consumables package for free!

Free gifts include the extra MIG torch and aluminum consumables package including drive and pressure rolls, liner, insert, nozzle, and contact tips. Gifts are valued around \$700 for TransSteel 2200 packages, and \$800 for TransSteel 2700 packages.

Customer must complete warranty registration online with promo code **AL-bundle24**. Promotion valid on eligible packages bought from Fronius partners April 1, 2024 through June 30, 2024.
