

# 14.5A 4.5" / 5" Variable Speed, High Torque Angle Grinder WEV 17-125 Quick Inox

**Pro Series Angle Grinder engineered and manufactured for safety, productivity, and durability!**

**MADE IN GERMANY**

**Metabo M-Quick System**  
Tool-free, fast disc change at the touch of a button

**S-automatic mechanical Safety Clutch**  
Helps to prevent kickback when disc jams unexpectedly for maximum user safety

**Die-cast Aluminum Housing**  
Rotatable in 90° steps for ergonomic cutting position / vertical grinding

**Vario Tacho Constamatic (VTC)-Full wave electronics**  
Stabilizes motor speeds while working under load

**Auto-stop Carbon Brushes**  
Protects the motor

**Additional Electronic Features**

- Electronic Overload Protection
- Soft Start
- Restart Protection

**Tool-free adjustable Guard**  
Burst and twist-proof

**LongLife Motor**  
Delivers 2X more torque than standard grinders with up to 20% higher overload capacity for longer service life and more power

**Rubberized Anti-Vibration Side Handle**

- Reduces vibrations by up to 60%
- Provides optimal handling, reduced fatigue, and excellent ergonomics

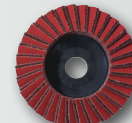

## Model WEV 17-125 Quick Inox

Order number	600517420
Grinding Wheel Ø	4.5" / 5"
Amp	14.5
Switch Type	Lock-on
Max. RPM	2,000 - 7,600
Torque	5 Nm
Spindle Thread	5/8" - 11 UNC
Cable Length	8 ft
