

TRAINING TABLE STANDARD & SFF CPU HOLDER

5500-3-100-04

5500-3-100-08

The Standard and Slim (Small Form Factor) CPU Holders secure your CPU tower off the floor and out of the way. The innovative design offers 10 tie points to which the included hook and loop strap can be secured to, for easy installation and adjustability. The universal construction allows you to mount the CPU on either the inside or outside of the table leg. The Standard CPU Holder has an 8" width and the SFF CPU Holder has a 4" width to hold your CPU tower.

- Both sizes are compatible with all sizes of the Advanced Classroom Training Tables
- Includes a 50" hook and loop strap
- Installation hardware included
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Universal Construction - Our innovative design allows both the Standard and SFF CPU Holder to mount the CPU on either side of the table leg.

Easy to Use and Adjust - The included hook and loop strap not only allows easy installation but make it easy to adjust the placement of your CPU tower.
