

RIO IN AND OUT SUSPENSION

M KAIA
D PETER STRAKA

The RIO IN AND OUT SUSPENSION a solid brass ring embedded with LEDs on both the in- and the outside is suspended by near invisible brass wires casting sculptural shadows onto the ceiling. Also available are ceiling and pendant versions of the RIO IN AND OUT and versions with the LEDs embedded on either the inside (RIO In) or to the outside (RIO out) of the ring. All components of the rings of RIO are solid brass, the finish is a brushed brass with transparent matt lacquer. The components are assembled to a system that can be used as Ceiling, Pendant or Wall Lighting. The RIO IN AND OUT SUSPENSION is ETL and CSA certified.
