

## PURE concrete table

M VITEO

D VITEO

Linearity and comfort are in no way opposites for the PURE COLLECTION.

On the contrary, these two properties, which have been intentionally combined, give rise to an exciting project, where design and functionality find their fullest expression.

With the modular basic elements of the PURE COLLECTION, made of teak, concrete, Corian® and aluminium, everyone's individuality comes to life. Whether single seating facilities, armchairs or entire lounge areas, you will soon realize that

L 35.4 x W 35.4 x H 7.8"
