M WEVER & DUCRÉ  
D DEMUND & STEINHUBER

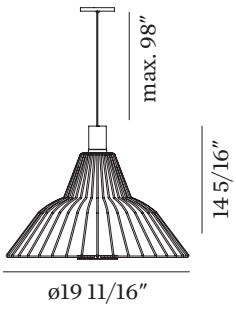

It's a luminaire made of wire. They look like a sketch drawn in the air and can be hung individually or as an ensemble – even in different sizes. So pick your favourite shape and combine away! There are 2 versions/sizes of this model. Both may be suspended to a max length of 98”.

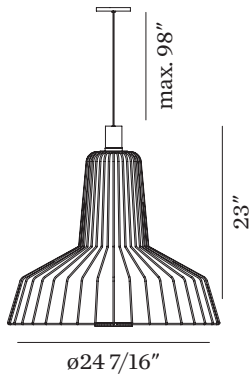

Wiro Industry 1.0: Ø 19 11/16" h 14 5/16"  
Wiro Industry 2.0: Ø 24 7/16" h 23"
