

Why Choose The All in 1 Hooper Pro?

Embroidery Hooping **MADE EASY!**TM

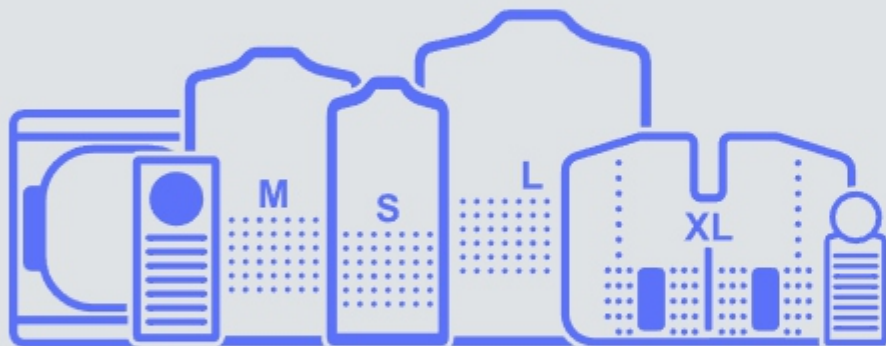

The most versatile hooping device in the industry.
Saves Space, Time & Money

The All in 1 Hooper is the **ONLY** device in the industry that works with all garment and hoop sizes without having to purchase additional attachments & is not Brand Specific.

All Tubular Hoops small, big, round, square and magnetic hoops can be used on this unit.

The All in 1 Hooper has helped thousands target their embroidery for over 25 years.

SAVE SPACE, TIME, & MONEY

Brand X - \$1,300

Other hooping devices on the market may seem inexpensive until you realize you have to purchase additional garment size boards and hoop size brackets. So why buy everything separately, wasting space, time and money, when you can just buy The All in 1 Hooper that does it all?

All in 1 Hooper - \$975

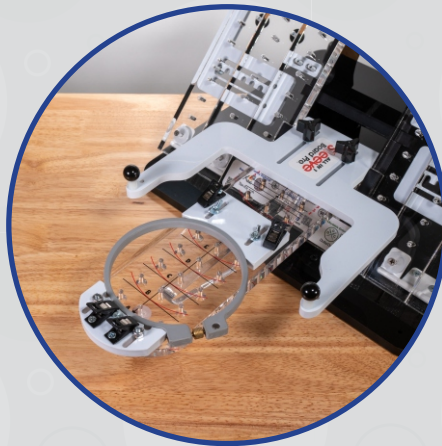

The All in 1 Hooper has every size board built into 1 convenient and easy to use embroidery hooping device. With our Patented features, all boards collapse independently to adjust to the size garment needed to save space, time, and lots of money.
