2. T
3. F
4. F
5. T

❖ Comprehension and Analysis:

1. Mr. Wonka believes they must go very high so that when they go back down, they will have enough momentum to crash through the roof of the chocolate factory.
2. Charlie and his family feel terrified as the elevator goes higher and higher. They wonder if Mr. Wonka is crazy and if they will all die. I would feel the same if I was in that situation. (Answers to the second question may vary.)
3. The Space Hotel is an invention by the United States of America. It is a giant capsule that contains 500 hotel rooms, air conditioning, tennis courts, a pool, and many other luxuries. It also has a gravity-making machine, so that you can walk around normally. I would like to stay at this hotel, because it would be an adventure to be in space. (Answers to second question may vary.)
