Character Analysis: Chase has amnesia because he accidentally fell off the roof. Also, he has an older brother. (Answers will vary.)

Comprehension and Analysis:

- Chase has a habit of climbing around on his roof. This particular time, Chase accidentally falls to the ground, and hits his head. He is in a coma for 4 days. When he wakes up, he doesn't remember anything about his life, including his own name, and what he looks like. This is because he has amnesia.
- One thing is that he was so unkind to a kid named Joel, that Joel is sent away to a different school. Another thing is that he teams up with a couple kids named Aaron and Bear to gang up on kids at school. A third thing is that he has enemies, like Shoshanna, who hates him so much that she dumps frozen yogurt all over his head when she sees him.
- Chase sees Shoshanna and shyly smiles at her. This infuriates her because of his history with her family. Chase had bullied her twin brother, Joel, so badly that he had to leave town. So when he shyly smiles at her, her fury bubbles to the surface, and as a result, she dumps her entire vanilla yogurt with sprinkles on top of his head.
