

MUSHROOM COMPLEX

10-in-1 Happy Brain Mushroom Complex capsules uses 100% whole fruiting bodies – the functional mushrooms themselves, in a hot water extraction process to bring you the most potent nutrients & bioavailable beta glucans. Get 1,330 mg of concentrated adaptogenic mushrooms per serving. Mushrooms are rich in Protein, Fiber, Folate, B Vitamins and are the only natural plant source of vegan Vitamin D.

8-in-1 Mushroom Complex Drops are formulated for adults with 8 different species of mushrooms carefully selected for their unique restorative properties including Cordyceps, Reishi, Shiitake, Lions Mane, Maitake, Turkey Tail, Chaga, and Tremella. It contains 1,500 mg of concentrated adaptogenic mushrooms per serving and is a yummy mixed berry flavor.

BOTH PRODUCTS SUPPORT

- Immune System, Detox & Inflammation*
- Memory, Focus & Mood*
- Sleep, Energy & Sexual Wellness*
- Gut, Liver & Heart Health*

IRISH SEA MOSS

Organic Sea Moss+ capsules contain organic Irish Sea Moss, Bladderwrack, and Burdock Root. This Sea Moss Complex has 92 naturally occurring vitamins & minerals your body needs for total wellness. The wild-harvested organic Irish Sea Moss we use in our capsules is hand-picked in the USA, nutrient-dense, rich in Prebiotic Fiber, and full of Iodine and Iron. It contains 1,500 mg. per serving and the right nutrients for all your unique needs all in one easy-to-swallow capsule.

Organic Sea Moss+ with BioPerine® Black Pepper is the same as our original organic Irish Sea Moss formula but with added Black Pepper to allow for better absorption. It provides a total of just over 1,400 mg. per serving and gives a slightly different blend of Irish Sea Moss, Burdock Root, and Bladderwrack.

Organic Irish Sea Moss Drops are formulated for adults and have a delicious lemon flavor. Our high-potency organic drops contain organic Irish Sea Moss, Burdock Root, and Bladderwrack and are made with wild-harvested organic Purple Sea Moss from the USA. This easily digestible liquid Sea Moss Complex is made to be as gentle on the body as possible and is rich in prebiotic fiber.
