

1809 Surface Mount LED Fixture

Part Number: 11809000003

U.S. Patent No. 9,546,782 & D728,149

FEATURES

- Durable housing is designed specifically for the rough environment of a walk-in cooler or freezer
- Low profile high impact Lexan lens with anti-glare technology
- Compact size with up to the same lumens as the 4' fixtures
- Preferred fixture for upgrading or replacing inefficient lighting
- Designed to reduce electrical usage by 85%
- Minimal heat generation lowers utility costs
- Rated for 50,000+ hours of life
- 5-year limited warranty

MATERIALS

- Lexan lens
- Aluminum housing

ELECTRICAL

- 120-277 VAC
- 50/60 Hz
- 3826 Lumens
- **WATTS:** 30 W
- **POWER FACTOR:** >0.9
- **CRI:** 83.2

DESIGN CRITERIA

- 4000K color temperature
- Designed for damp/wet cooler/freezer environments
- **Operating temperature:** -40°F [-40°C] to 77°F [25°C]
- Surface mounted
- **Safety Standards:** RoHS, UL Listed E333932, NSF, DLC, IP65 Rated

Part No.	Lumen and Watts
11809000003	LED Fixture, 120-277 VAC, 30 W, 4000K, Flat
11809CE0003	LED Fixture, 220-240 VAC, 30 W, 4000K, Flat CE
