

Continuum Project makes it easy for you to donate your outdoor kit to charitable causes, research and upcycling projects and keep your kit out of landfill.

Donation Form

All garments must be clean and functional. For advice on how to clean technical garments, please see alpkit.com/support/stickies/continuum-project

Kit Donation What are you donating? Please be as specific as possible

Do you have a preferred charity partner that you wish to donate to? If your preferred charity cannot accept your donation, we will pass it on to another partner within the Continuum Project.
