24 Months in New French (68%) and American (32%) oak barriques

## Wine Analysis

Alc/Vol: 14.9%

pH: 3.42

TA: 6.7 g/L

## Comments

*"An award winning Shiraz blend, vintaged from Estate dry-grown fruit. A small quantity of this outstanding wine has been carefully cellared and re-released as a Museum wine. This wine won a Trophy (which included an overseas trip for 2) and four Gold medals in its youth, but most importantly, it has aged gracefully - achieving 5 Stars in The World's Greatest Shiraz Challenge in Winestate Magazine 2015. It was also ranked third in the 'Final Top Ten' in the Challenge, that included more than 500 wines - ahead of iconic wines such as Penfolds Grange and Henschke Hill of Grace - a great accolade for an 'aged' Margaret River wine from one of the region's smallest, but most highly regarded boutique wineries."*

Winemaker, Gralyn Estate

*"Lovely example of the great Aussie blend. It is still amazingly bright and alive for a fourteen year old wine and beautifully complex with a perfect, seamless palate." 5 Stars*

World's Greatest Shiraz Challenge, Winestate Magazine Sept/Oct 2015

*"An awesome class of iconic wines. Here we see delivery of harmonious, intense wines with length and complexity but above all - drinkability!"*

Judge, World's Greatest Shiraz Challenge, Winestate Magazine Sept/Oct 2015

*"Perfect to drink tonight – mind-blowingly good! This is Gralyn Estate's current release – Wow!"*

Dan Traucki, Winestate 'Wine of the Year' Tasting Sept 2015
