### Comments

*"True tawny in colour, with a lifted bouquet reflecting the age and class of the wine. Caramel, coffee, chocolate and spice aromas are predominant. The palate is vibrant and textured with a lingering aftertaste produced by many years maturation in small oak casks. Complex rancio and roasted nut characters perfectly balance the long finish."*

Winemaker, Gralyn Estate

*"Subtle oakiness, fresh aromas of raisins and citrus with nice nuttiness. Beautifully aged palate has a seamless balance of nutty rancio flavours. Good acidity." 5 Stars*

*"An excellent class of Australian tawnies! The best were Grand rare old classics with excellent maturation character."*
