Chardonnay

Harvest

13 February 2016

Maturation

Twelve months in French oak barriques

Wine Analysis

Alc/Vol	13.1%
pH	3.04
TA	6.8 g/L

Comments

"A single vineyard wine showing great depth of flavour and finesse. Bright straw-green in colour, with complex aromas of peach, nectarine and citrus. Wild yeast fermentation and maturation in French oak barriques has produced a finely textured palate with a refreshing minerality on a long persistent finish."

Winemaker, Galyn Estate

"There is a distinctive spicy style of the chardonnays from Galyn which this wine captures. Has a slightly nutmeg and butterscotch character which starts on the nose and then extends through to the palate. A squeeze of lemon adds further lift, while the minerally finish focuses the finish. Impressive wine that has started to reveal new, engaging qualities with an extra year in bottle. Very good." 95/100

Ray Jordan, The West Australian Wine Guide, 2019

"A complex and delightfully estery bouquet with a slightly greener cool climate style of palate. "A benchmark chardonnay," said one judge. "The definition of quality," said another." 5 Stars
