Warning ⚠

[1] Always store the earbuds in the charging case and safely protected.

[2] Avoid storing the earbuds in hot or cold environments to prevent depletion of the battery capacity

[3] Avoid storing the earbuds for extended periods of time without recharging them.

[4] If the earbuds or the charging case become dirty, it is recommended to clean them with a soft cloth that has been dampened with clean water.

[5] The OS version of mobile devices may affect performance of earbuds, it is recommended to update the OS of your mobile device to the latest version before use.

[6] It is strongly recommended to clean and dry the earbuds properly when it has been exposed to water and sweat.

[7] Don't put the earbuds into charging case while there is moist. Doing so can cause severe damage to the product.Earbuds charging case is not waterproof.

[8] Remove from power source once the product is fully charged. Extended periods of over-charging will decrease battery life.

[9] Store the product in a dry area. Keep away from fire, heat, moist and erosive materials.

[10] Do not use rough chemical such as soap or cleanser to scrub the product.

[11] Do not dissemble, damage, or expose the product to water or fire. Warranty will be voided by any misuse of the product.

[12] If the battery is expanded or emits smell, stop using the product immediately.

BE THE CULTURE.
BORN NIFTY.
