Warnings

**IMPORTANT, RETAIN FOR FUTURE REFERENCE
READ CAREFULLY**

See enclosed instructions for safety and care information.

Failure to follow the warnings could result in serious injury.

Handle heavy parts with care.

This product is intended for **Domestic Use** only.

This product should only be used on firm, level ground.

Ensure the product is always placed on level ground.

Furniture can be dangerous if used incorrectly or maintained poorly. Keep your furniture in a good condition at all times. No liability will be accepted for damage or injury caused by failure to follow the care and maintenance guidelines.

Dos

Unwrap all packaging materials and place the components on suitable surface to prevent scratching your product.

We recommend the use of furniture covers to protect your product when not in use.

If the set is stored outside then we recommend that cushions are brought inside for storage and protection.

To clean the product, it can simply be wiped down by hand with a damp sponge and a weak solution of soap and water.

We would recommend lifting the products to move the items instead of dragging them which may cause some damage to either the product or the area in which you choose to use them.

Don'ts

Never drag furniture when moving it, always lift it.

Never tilt the product use.

Do not stand or climb onto the product.

Do not sit or lean onto the arms/rims of this product.

Never use scourers, abrasives or chemical cleaner.

If there is any water leakage, don't use it.

This product doesn't require Assembly.

Usage Guidance:

- 1) Make sure the Plug is tightly in the bottom hole;
- 2) Load Ice into the Bucket;
- 3) Place the Wines, Beers or any other products intended to be cooled;
- 4) Close the Lid for longer cooling time;
- 5) The Lid can be hooked on the bucket rim.

Note: This item is only a temporary cooling bucket, it can not be used as a powered cooler or refrigerator to store the goods.
