Dos

When you are ready to start, make sure that you have plenty of space and a clean, dry area for assembly.

Remove all packaging and banding and place the components carefully on suitable surfaces to prevent damaging or scratching them.

Check the pack and make sure you have all parts listed.

We recommend the use of furniture covers to protect your product when not in use.

This product is suitable for all year outdoor use. Cushions should not be left out in wet weather or overnight.

To prolong the life of the product we recommend that during severely bad weather and during the winter months, it is stored in a cool, dry place.
Before storage, ensure that the product is clean and dry.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Cushions should be cleaned following the care instruction on the label.

This product is supplied with water proof and stain resistant polyester fabric, unexpected rain ---no problem ---just shake the cushions dry.

Accidental spills of red wine, drinks or sauces--- no problem--- just simply wipe off immediately with a damp cloth.

As small animals may consider your cushions a cosy sleeping

place we do not recommend they are left out overnight. Due to the stain resistant nature of these cushions they should require minimal cleaning, please do not bleach, do not tumble dry, do not iron or dry clean.
Clean with a damp cloth.

Don'ts

Do not use scourers, abrasives, washing powders, chemical cleaners or any other substances containing abrasives since these substances can damage the product.

Never tilt the chair during use.

Do not use this product if parts are missing, damaged or worn.

Do not stand or climb onto the product and do not use it as a ladder, as this could lead to it unbalancing and overturning.

Never drag furniture when moving it, always lift it.
