DIRECT-TO-DRAIN OPTION\*

AUTOMATIC OPERATION

SLEEP MODE

WASHABLE DUST FILTER

3-IN-1 UNIT

\* Drain hose not included.

### SELF-EVAPORATING SYSTEM

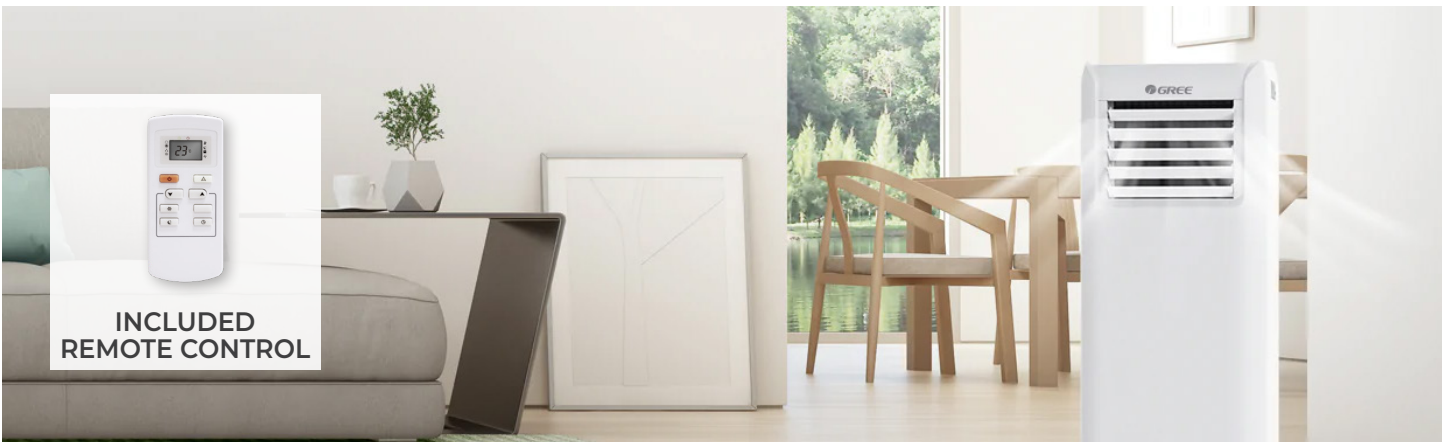

This air conditioner uses self-evaporating technology that cools the condenser coils with water in the air. This reduces the water build-up in the tank, which means you won't have to empty it as often. Relax and enjoy all that extra free time!

### USER-FRIENDLY DESIGN

Easy-to-use control panel with electronic buttons and easy-to-read digital LED display; innovative vertical air outlet design; two-way air oscillation for wide air distribution; discreet remote control compartment on back of unit.

### EASY INSTALLATION

The kit comes with all the necessary parts for installation. Simply slide the window panels to fit your window size, tighten the adjusting nut, connect the exhaust hose and you're done. Cool your room in minutes!

MODEL		AOVIA 6	
Product code:		GPC06AP-A6NNA1A	
Power Supply	V/Hz/Ph	115 / 60 / 1	
Capacity (SACC)	Cooling BTU/hr	6000	
Coverage	m <sup>2</sup> (sq ft)	23 (250)	
CEER	BTU/W*hr	6.6
