3-IN-1 UNIT

A BREEZE OF FRESH AIR

Keep your home cool and dry on hot, humid or rainy days with this 3-in-1 window air conditioner, so you can create an environment in your home that is completely tailored to your comfort needs and weather conditions.

WIFI CONNECTIVITY

The smart and intuitive GREE+ app allows you to control your air conditioning unit via Wi-Fi from your cell phone or tablet. Change the temperature, set a schedule, and adjust fan speed without having to go anywhere.

REUSABLE FILTER

Keep dust out of the air and your unit running smoothly with our easy-to-clean filter. The cleaning reminder will alert you after 250 hours of operation that a filter cleaning is due to ensure the efficiency of your air conditioner.
