MULTIFUNCTION REMOTE CONTROL

ENERGY SAVING

3-SPEED FAN

FILTER CLEANING REMINDER

ADJUSTABLE 4-WAY LOUVER

WASHABLE DUST FILTER

### 3-IN-1 UNIT

### ULTRA QUIET

Every aspect of this window AC has been specially designed to make as little noise as possible, hence the name. With a sound level of only 42 decibels, one of the lowest on the market, it is so quiet that you can sleep through the night or watch your favorite show without being disturbed.

### DIRECTIONAL AIRFLOW

Chilly air is nice, but not everyone likes having cold air blown directly at them. Use the adjustable louvers to direct the wind upward to keep the cold air away from your face, but also to cool the room more effectively.

### IFEEL TECHNOLOGY

Nothing is worse than an inaccurate thermostat. When you use the iFeel feature, the air conditioner uses a sensor on the remote control that feels the room temperature at its location and communicates with the unit to adjust the temperature and airflow efficiently and accurately.

**INCLUDED  
REMOTE CONTROL**

MODEL		TRANQUILITY 8	
Product Code:		GJC08BU-AGNRNJ**	
Power Supply	V/Hz/Ph	115 / 60 / 1	
Capacity	Cooling BTU/hr	8000
