Key Features:

Smooth, Sleek Finish

Handcrafted to ensure a smooth and consistent finish, this sizeable firepit is designed to complement a variety of decors.

Stand the Test of Time

Concrete composite construction results in a sophisticated, lightweight and durable outdoor fireplace.

Eco-friendly Firepit

EcoSmart's Base firepit is fuelled by liquid bioethanol, an environmentally friendly, readily available, renewable fuel source.

Natural Materials

Includes durable polished composite concrete surround, EcoSmart's 304-grade stainless steel burners, and pebbles as decorative media.

Contemporary Construction

The solid geometric shape adds instant appeal to modern exteriors and minimalist landscape design styles.

Optional Accessory

Pair with an optional tempered glass fire screen, which stabilises the flame in windy conditions and provides additional safety and comfort.
