

WARRANTY

Our products are covered by a transferable limited warranty and a solid service and support network should you need it. Many aspects of our products are hand-produced, hand-finished and use natural materials, which makes it subject to minor variations in colour, finish and size. All pieces will mature and age over the course of time through natural processes associated with use, heat and flame. These changes are an essential part of the dynamic of the piece. MAD Design Australia reserves the right to make minor amendments without prior notice.

WARRANTY INFORMATION

The Company warrants to the Customer that the Goods will be supplied in an undamaged condition.

On discovery of any defect in the Goods, the Customer must immediately notify the Company in writing of such defect. The Customer must not carry out any remedial work to alleged defective Goods without first obtaining the written consent of the Company to do so.

The provisions of any act or law (including but not limited to the Trade Practices Act 1974) implying terms, conditions and warranties, or any other terms, conditions and warranties which might otherwise apply to or arise out of the agreement between the Company and the Customer in relation to the Goods are hereby expressly negated and excluded to the full extent permitted by law.

The Customer expressly acknowledges and agrees that it has not relied upon, and the Company is not liable for any advice given by the Company, its servants, agents, representatives or employees in relation to the suitability for any purposes of the Goods.

LENGTH OF WARRANTY

12 month warranty from date of purchase on stainless steel parts including raw, linished and powder coated, on mild steel including powder coated and chrome plated, concrete composite, glass, leather, fabric and MDF (painted or rendered).

Chips and scratches are not covered by warranty. Natural variation in colour, texture and porosity may occur with Concrete Composite products and are considered inherent and valued qualities of the material. Non-structural hairline cracks are possible and shall not be considered a manufacturing defect.
