

Gin Dining 90 Series

Perfectly proportioned as a functional, freestanding dining 'table', the EcoSmart Gin 90 Dining fire pit table adds a sense of luxury and style to indoor or outdoor spaces.

Designed with room for dining chairs to be placed around the table, this stunning model features the XL900 Burner – one of the most popular of the elongated ethanol burners – as its centrepiece. Fuelled by clean-burning, environmentally-friendly bioethanol, this fire pit dining table provides an elegant and practical solution without the mess of an open fire pit. An impressive way to gather family or guests in an intimate and stylish setting.

Key Features

Enhance Indoor/Outdoor Spaces

Elegant and streamlined, fire tables are a stylish and eye-catching feature that create an inviting ambience and attract family and friends.

Practical For Everyday Enjoyment

Higher-set styles are perfectly – and practically – proportioned for placement of dining chairs/barstools around the fire.

Perfect For Entertaining

Fire tables bring everyone together and provide space for drinks and plates of food with a mesmerising flame as the centrepiece.

Durability And Peace Of Mind

Quality materials and toughened glass give peace of mind and make EcoSmart Fire tables the product of choice for many leading architects and designers.

Cleaner, Emission-Free Fuel

Fuelled by environmentally-friendly e-NRG bioethanol there's no smoke, odours, ash or soot to clean up.

Easy Cost-Free Installation

EcoSmart fire tables do not require connection to power or gas or installation by a tradesperson: just unpack and position.

One-Step Easy Cleaning

Simply wash the ethanol burners in the dishwasher or sink.
