Key Features:

Aesthetics and Endurance

Constructed from hardwearing, weather-resistant, lightweight concrete composite.

Easily Personalised

To personalise the appearance, simply add your chosen fire-rated decorative media to the platform surrounding the ethanol burner.

Perfectly Positioned

Whether a pool deck or patio, open space or outdoor room, MIX Fire Bowls instantly enhance the atmosphere, creating a distinctive design feature.

Minimum Fuss

Delivering the ambience of an open fire – but minus the mess, odour, sparks and soot due to the clean-burning, eco-friendly e-NRG bioethanol.

Earthy Tones

Available in three concrete hues – Natural, Graphite, and Bone.

Fluid™ Concrete Technology

Our proprietary technology offers a streamlined yet sophisticated system that delivers exceptionally robust, handcrafted products.

Tested World Wide

Our collection has been thoroughly tested against a number of global standards and is UL Listed in the USA, Certified for EU and UK in accordance with EN16647.
