

Nova 600

Made with weather-resistant materials and with an EcoSmart Burner at its core, the Nova 600 (little brother to the Nova 850) is designed to be the center of attention at every gathering. Equally at home in a courtyard, garden, on a patio, pool deck, terrace, or balcony.

The new Nova Series was specially made for the outdoors. A linear twist on a modern classic, the square-shaped, portable Fire Pits are perfect for enjoying under the stars and to beautifully brighten and enhance the ambiance of myriad outdoor spaces.

- Stainless Steel finish AB3 burner standard.
- 600w x 600d x 220h

Accessories included:

- Jerry Can, Designer Lighter, Lighting Rod and Extension Spout

Key Features:

Constructed from hardwearing, weather-resistant, lightweight concrete composite.

Delivering the ambience of an open fire – but minus the mess, odour, sparks, and soot due to the clean-burning, eco-friendly e-NRG bioethanol.

Our proprietary technology offers a streamlined yet sophisticated system that delivers exceptionally robust, handcrafted products

To personalise the appearance, simply add your chosen fire-rated decorative media to the platform surrounding the ethanol burner.

Available in three concrete hues – Natural, Graphite, and Bone.

Whether a pool deck or patio, open space or outdoor room, Nova Fire Pits instantly enhance the atmosphere, creating a distinctive design feature.
