

Orbit

A futuristic, raised indoor fireplace delivers an 'orbital' 360-degree flame to create visual interest and beautifully define a room. Glass surrounds ensure a stunning focal point seen from many angles. Made from long-lasting, low-impact materials and fuelled by renewable fuel, Orbit is a sustainable fire that quickly captures attention and makes a bold décor statement.

For lovers of outdoor (and indoor) living.

Key Features:

SLEEK AESTHETICS

Slimline and raised, with a glass-surrounded burner for maximum flame enjoyment from different parts of your indoor space. Bringing a warm aesthetic to your architectural space.

KEYNOTE FLEXIBILITY

Rotating, portable fireplace design for easy placement in corners, taking centre stage at the heart of a room, or alongside furniture.

LONG-LASTING FLAME

Featuring an AB3 Ethanol Burner giving up to 11 hours of burn time, perfect for entertaining or for relaxing at home.

DURABLE

Crafted from a robust, black powder-coated stainless steel stand and tall, toughened glass surrounds.

ENVIRONMENTALLY FRIENDLY

Fuelled by renewable energy e-NRG bioethanol, a clean-burning, mess-free fuel source.
