

## Pop 8L Designer Fireplace

Make your indoor or outdoor room 'pop' with colour.

A low-set modern retro-style piece of fire furniture, the Pop 8L is a combination of contemporary influences and nostalgic design elements. Available in bold orange or yellow, black or white, or a custom colour to suit your unique decor, this freestanding, eco-friendly fire will elevate your room or alfresco design. A cylindrical glass screen surrounds the round AB8 burner, ensuring a stunning 360-degree view of the larger-scale dancing flame, with the void beneath the burner providing a space for decorative items.

- Indoor & Outdoor
- Materials: Stainless Steel, Borosilicate Glass
- Price is for Stainless steel AB8 burner
- 25.10kg
- **450w x 796h**

### Accessories included:

### Key Features:

#### Enduring, modern retro style

Referencing popular styles from 'back in the day', with contemporary elements turn this freestanding fireplace into a modern on-trend piece that transcends trend cycles and brings ambience to your interiors or outdoor rooms.

#### Aesthetically functional

Slender design with linear and cylindrical elements and functional space for decorative items, the POP is a cool accent piece that makes a big impact and draws you in.

#### A portable fireplace for any space

Whether you're after an accent fire or to blend with your design style, POP Series fires allow you to bring a unique personality into your indoor or alfresco room.

#### Colour choice

Available in eye-catching orange, yellow, black or white, or from various custom colours to suit your design style, architectural environment and decor.

#### Made to last

Crafted from quality stainless steel, with coloured Powder-Coating and Borosilicate Glass, for durability and peace of mind.

#### Clean bioethanol fuel

Powered by eNRG, a natural, clean-burning renewable energy source with no harmful emissions.
