Key Features:

Trans-seasonal enjoyment

Crafted from top-quality weather-resistant materials including 304-grade stainless steel base and round toughened glass panel surrounding the burner. The tray holding the EcoSmart ethanol burner has a special bung, which is inserted for use indoors, or removed for outdoor use. A stylish addition to any space at any time of the year.

Simple style, dramatic drawcard

An elegant and simply proportioned portable glass fireplace that enhances the ambience of both outdoor and indoor environments. Easily relocated to create a statement fire with dancing flame in any setting and for any occasion. A mesmerising, bewitching fire that draws people in.

Hypnotic, dancing flame

Elevated above the base, the brilliant, glass-surrounded orange flame is 'lifted', enabling it to be viewed from all sides. The perfect addition to easily, quickly and beautifully enhance the decor and ambience of an indoor or alfresco space.

Renewable energy

Runs on e-NRG bioethanol, a natural, clean-burning fuel without smoke or soot.

Easy operation

T-Lite fires can be easily turned on and off as desired, using the accompanying lid to extinguish the flame once put in position.
