

## Martini

Blending the simplicity of an outdoor fire pit with the functionality of a standalone table, EcoSmart's Wharf fire table adds style and practicality to any architectural environment.

Ideal for courtyards, patios, pool decks and terraces, the all-weather, earthy design evokes the atmosphere of an open flame minus the by-products associated with a wood-burning fireplace. Its natural colour palette and perfect blend of fire and stone make it an easy choice for landscape architects and design professionals.

- 1650w x 1000d x 339h
- Includes XL900 Burner
- Burn Time: 8-13 Hours
- [Shop the Wharf collection](#)

Accessories included:

- Glass charcoal rocks, Jerry Can, Fire Lighter, Lighting Rod

### Key Features:

#### Talking Point

EcoSmart's flickering flame creates an instant focal – and talking – point for outdoor entertaining spaces.

#### Easy Cost-Free Installation

EcoSmart fire tables do not require connection to power or gas or installation by a tradesperson: just unpack and position.

#### Mesmerising Flame

Like a traditional campfire, the dancing flame provides an enticing welcome when entertaining guests.

#### All-weather Earthy Design

Evokes the atmosphere of an open fire minus the mess, odour, sparks and soot.

#### Durability and Peace of Mind

Quality materials and toughened glass give peace of mind and make EcoSmart Fire tables the product of choice for many leading architects and designers.

#### Clean-burning Fireplace

Unlike wood-burning fire pits, there is no need to sweep up ash after using the Wharf fire pit.

#### Eco-friendly Fuel

Wharf is fuelled by readily available, clean-burning, environmentally friendly e-NRG bioethanol.

#### Generous Dimensions

Tabletop design accommodates glassware, leaving hands free to enjoy finger food and canapés.

#### Choice of Materials, Colours

Choose from beautiful, warm-toned oiled teak\* - well proven for outdoor (and indoor) use - or the sleek, industrial-style EcoSmart Fluid™ Concrete colours of natural, graphite or bone.

#### Tested World Wide

Our collection has been thoroughly tested against a number of global standards and is UL Listed in the USA, Certified for EU and UK in accordance with EN16647, and satisfy the ACCC Safety Mandate for Australia.
