

Tyburn Tactical Advanced Concealed Pistol License Training (CPL)

This training builds on the skills taught in the basic CPL class required by the state of Michigan (MI).

Course Description:

Advanced CPL training is designed for students interested in increasing their skill with their pistol through a variety of exercises and situational drills. We'll introduce and reinforce the fundamentals of shooting and weapons handling skills under stress and review the foundation and solid understanding of basic marksmanship and weapons handling & manipulation. The course is approximately eight hours long. Roughly four hours of class room and dry fire time and four hours of range time. It will require a minimum of 300 rounds of ammunition.
