

Jelly Pedi™ is the original pedicure in a box.

It boasts a unique and amazing gelatinous texture that retains heat, soothes aching muscles and alleviates joint pain.

The jelly also acts as a gentle exfoliant while the aromatic natural oils soften the skin and relax the mind and body.

Steps 5 Step, 2 Step

Fragrances Aloe Vera, Lavender, Cherry Sage, Peppermint

Benefits Moisturizing, Anti-inflammatory, Anti-aging, Revitalize

Feature Unique gelatinous texture
