## PRICE LIST

Mamba GaGa Ball Pits are customizable by adding or removing wall panels. The recommended number of players depends on age and athletic ability, and each of our Ball Pits is easily resized for any group. Please note that sizes are approximate when pits are assembled symmetrically, but the pits can easily be reshaped to fit any play area.

Each pit includes a complimentary “Mamba GaGa Ball Kit” containing two balls, locking hubs with a hex wrench, a printed user manual, and an accessory bag.

All pits are delivered with fully assembled panels delivered on a custom pallet by third-party LTL carrier or un-palletted by a warehouse vehicle.
