

2022 Calendar

Reconnecting
humanity through the
gift of food.

How to use this Calender

Bula Vinaka!

This calendar has been designed to help you get creative in the kitchen AND support local Fijian farmers throughout the year by buying fresh, seasonal produce.

Use it as a normal calendar OR as a guide to decide what new foods you want to try that week. There is a little bit of space on each space for you to jot down your ideas and notes for every month and day.

We aim to help you find and buy local produce so you can get creative in the kitchen, whilst also supporting smallholder farmers to make a real impact with every food purchase.

To order the produce showcased in this calendar, please go to our website (aggieglobal.com) and make your order in a few simple clicks. IF you can't find what you're looking for, reach out to us at hello@aggieglobal.com or on 9404553.
