

Numskull Designs proudly announce:

TUBBZ – The collectable range of cosplaying duck figurines!

 **#CosplayingDucks – Melbourne August 15th:** Quack, quack!

We're incredibly proud to introduce [TUBBZ](#), the official range of collectable cosplaying ducks!

Representing the biggest video game, movie, TV show, and comic book brands, TUBBZ are fantastically fun collectables that transform all of your favourite characters into duck-style figurines.

Featuring cute, recognisable designs, these high quality figurines feature individual poses to suit their characters, and each come packaged in a stackable box with a unique bathtub-shaped display stand!

Whether you're a fan of Batman, Crash Bandicoot, Spyro the Dragon, Fallout, Destiny, Street Fighter, Borderlands, Lord of the Rings, or something else entirely, TUBBZ is sure to scratch that itch for a brand new, unique, cross-brand collectable range.

- TUBBZ - your favourite video game, movie, TV show, and comic book characters come to life as cosplaying ducks
- Official collectables – All official licensed products, designed and engineered by merchandise experts Numskull Designs
- Collect them all – 4 (or more!) in each range, with many to collect
- Display box - comes in a collector's bathtub display box, featuring the property's logo and the ability to stack on top of other Tubbz
- Premium collectables – highly detailed features and made from premium quality PVC
- Approximately 9cm (3.54") tall when outside of tub display stand (some may vary)

TUBBZ will be released in regular waves, featuring a new assortment of quackin' good quality collectables in each, representing new fan-favourite brands.
