PATENTED* OPEN AIR HOME SCREENS

1 YEAR WARRANTY
20 MPH WIND RATING
ULTRA LIGHT WEIGHT

STEEL RINGS

Steel rings are sewn onto the screen with three layers of reinforced material.

ZIPPER AIR VENT

The screen deflates in seconds with the zipper air vent.

REMOVABLE PROJECTION SURFACE AND BLACK BACKDROP

Machine washable Projection Surface unzips for easy cleaning. Black Backdrop can be removed for rear projection capability.

PROJECTION SURFACE

Bright, matte white, seamless projection material with dynamic stretch for a smooth wrinkle free surface.

STRAP SLIDERS

Easily and quickly adjust the tension of the tethers.

AIR BLOWER

Inflates your screen in seconds and quietly provides constant air pressure.

INFLATABLE MATERIAL

The durable nylon gives Open Air Home Screens a total weight of only 12-17 lbs.

TWIST STAKES

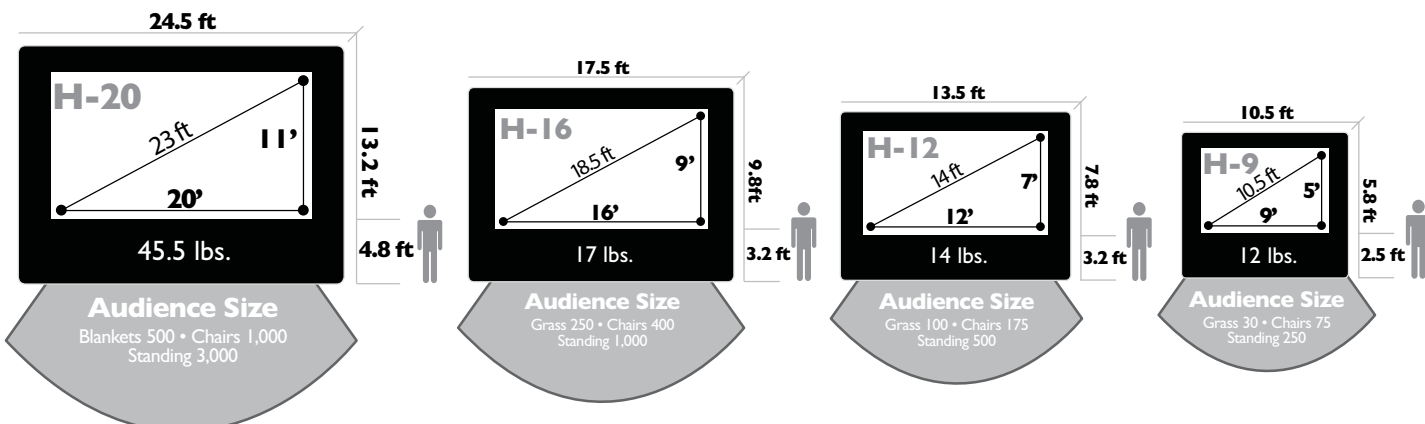

Easy twist-in stakes and clip-on rings make set up a snap.

OPTIONAL SCREEN ACCESSORIES

- Deluxe Heavy Duty Storage Bag
- Sandbag Anchors

BLACKOUT BACKDROP

Greatly enhance the contrast and clarity of your movie. It eliminates rear interference from street lights, house lights or headlights.

*Patent US 7,920,326 B2

ALL-IN-ONE CINEBOX CONSOLE

CineBox™ Home rips the roof off the home theater and takes it outside. Everything you need for a backyard movie night is included: a huge inflatable movie screen, projector, powerful outdoor speakers, audio mixer, cables, and more. The screen is easier to set up than a pup tent so virtually any location can become a drive-in style theater. Enjoy your movies or video games by the pool, in your backyard, or watch the big game at a BBQ on the beach.

MEDIA PLAYER

Bluray Player with Wi-Fi Connectivity for Streaming Services such as Netflix and YouTube. DLNA & Miracast Mobile Device Mirroring. Front USB Port. Also plays CDs, MP3s and variety of other file types.

AUDIO VISUAL UPGRADES

- Higher Lumen (brighter) Projectors
- Laser Projectors, Short-throw/Long-throw Projectors
- Upgraded Speakers
- Cases for Projectors, Speaker Bags

AUDIO MIXER

Easily fade between movie audio or music without touching a single cord. Directly connect audio from mp3 players, gaming consoles, laptops and more with included adaptor cable. Built-in Bluetooth audio input for mobile devices.

LED FLASHLIGHT

A compact light allows you to discretely light up your controls in the dark of night.

PROFESSIONAL PADDED CASE

Consolidate space and eliminate confusing, messy wire trails with the organized, padded case.

OUTDOOR PROJECTOR

The CineBox Home matches the best and most current projectors available today. Laser and 4K options are available.

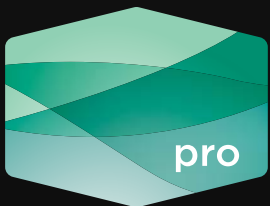

POWERED SPEAKERS

Durable, yet lightweight speakers with treble, bass, and volume controls. Balanced speaker cables included.

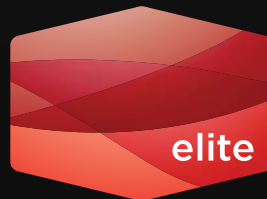

ALSO AVAILABLE FROM OPEN AIR CINEMA
