#### **GREAT COMPANY**

Good range of quality products offered for sale. We had been looking at the bistro set for a while and found Duxburys to be amongst the most competitively priced! The free delivery to Whitby was an added bonus and much appreciated.

### I would highly recommend this company...

I would highly recommend this company to anyone, I have bought a few items over the last few years and always had the very best service and products. We recently bought a new garden set and Emma was great to deal with, no hard sell at all she just advised us and answered a few questions then left us to it. Will buy again from Duxburys.

Sound advice from the team, great to deal with and prompt delivery. No pressure on sales, took us through a number of options with a wide variety of choice. Also very flexible when sorting delivery dates out too.
