Instructions for:
StainSkrub
Enzymmatic Blood Remover

Premier stain and blood remover for hides, packs, clothing, game bags, etc. Its proprietary blend of enzymes rapidly convert stains into water-soluble byproducts easily washed away! No stains, no mess!

Application Instructions:

1. Apply StainSkrub by spraying liberally to all surfaces saturated in blood, tissue fluids, or organic stains before washing. *StainSkrub MUST be used prior to capes being tanned*
2. Let product sit for 20 minutes. Gently massage StainSkrub into stain(s) with fingertips.
3. Rinse fabrics thoroughly. For game hides, gently wipe with damp cloth, shampoo, and blow dry - repeat if necessary.

Ingredients: Enzymes and a proprietary blend of ingredients.

Recommended shelf life two years from manufacture date.

Warnings: Close container after use. Store in a cool, dry place. Skin and eye irritant. Keep out of the reach of children. Avoid contact with eyes. Do not ingest. In case of eye contact, flush thoroughly with water. Call physician if irritation persists. In case of skin contact, wash off with water. If swallowed, do not induce, seek medical advice immediately.
